The completed application to be e-mailed in PDF format to the Service-ICAR secretariat: manufacturers@icar.org

APPLICANT BODY DETAILS

Name of applicant:

.....

Full address:

.....

VAT Number or Regional Tax Number:

Contact person and email address:

DEVICE / MANUFACTURER DETAILS

Device commercial name:

Device type: .. Conventional ear tag Yes No

RFID device:

Injectable transponder; Electronic ear tag: Tag attachment: Ruminal bolus: Other:

Primary uses of the device (species):

Bovine: Ovine: Equine: Caprine: Porcine:

Original ICAR device code (as published on the ICAR website):

- Product code (for RFID devices):
- Certification code (for conventional ear tags):

Manufacturer Name:

Manufacturer Address:

.....

COMMERCIAL DETAILS

Country/Region where the device is used:

Production plant(s)/factory(ies):

Selling method(s): ‘

Direct’ (from manufacturer to farmer):

Via ‘Local Authority’ to farmer:

Via ‘Local dealer’ (who is not an appointed representative of the manufacturer):

REQUESTED VALIDATION TESTS

RFID devices (testing of transponder):

Limited Test ([Section 10.5.4](#) of ICAR Guidelines)

Conventional ear tags or external RFID devices (testing of external material):

Preliminary Assessment ([Sections 10.10](#) and [Section 10.11](#) of ICAR Guidelines)

Additional parameters required to test:

Machine readability Yes No

If yes, to be assessed by: 6 bits 9 bits 12 bits

Other parameters (please describe)
.....

Note: Device(s) will be tested against the current ICAR standards and the results compared with original or earlier results for the same device(s) by a certified laboratory designated by ICAR.

APPLICANT DECLARATION

The undersigned declares to have read and fully accepted the conditions included in the document ‘Protocol for the Validation of Animal Identification Devices’.

The undersigned further agrees to abide by all conditions set forth within the ICAR Guidelines Section 10 “Testing and Certification of Devices Used in Animal Identification” and specifically agrees to the following:

- **Submitting the samples for the applied tests and paying the fees determined by ICAR**
- **Collecting the test samples from the field stock but not from the manufacturer**
- **Sending the samples to the test laboratory assigned by ICAR**

I am authorised by [insert Applicant Authority Name here] to make this declaration
