

MilkoScan FT+

Stay ahead in milk analysis

Dedicated Analytical Solutions

FOSS

Experience the new MilkoScan™ FT+ live!

Meet us at the joint NALMA & ICAR event in Niagara Falls on June 16-20, 2008.

FOSS is proud to announce the launch of the next generation of MilkoScans for dairy herd improvement and payment testing: **The MilkoScan™ FT+ !**

The new MilkoScan FT+ offers:

- + More efficiency for your lab!
- + More business opportunities for your customers!
- + More analysis flexibility to suit your needs!

You will find us in the **Hall of Technologies** during normal exhibition hours.

Join our seminar

Tuesday, June 17 at 6:00 pm.
Crowne Plaza Hotel, prospect room
Niagara Falls, NY

Seminar is by invitation only and space is limited. Sign up now at www.foss.dk/icar

- The MilkoScan™ FT+ is high capacity, fully automatic IDF and AOAC compliant FTIR analyzer for raw milk.
- 200- 600 samples/hour

Dedicated Analytical Solutions

MilkoScan FT+ and Fossomatic FC = CombiFoss FT+

Dedicated Analytical Solutions

**More business opportunities for your customers
- gives you more business!**

Fatty Acids profile

Enhanced Free fatty Acids calibration

Casein

Urea

And many more...

With the WinISI calibration toolbox you also have the opportunity to develop your own calibrations

Dedicated Analytical Solutions

- Free Fatty Acids
- Casein
- Fatty Acids
 - Total unsaturated Fatty Acids
 - Total saturated Fatty Acids
 - Mono unsaturated Fatty Acids
 - Poly unsaturated Fatty Acids
 - C16:0
 - C18:0
 - C18:1

- Fat
- Protein (Crude & True)
- Total Solids & Solids non Fat
- Urea
- Freezing point depression
- Citric Acid
- pH
- Lactose
- Homogenizer Index*
- Sample intake temperature*

* Included when you buy the MilkoScan FT+

Dedicated Analytical Solutions

More efficiency

FOSS

More efficiency – for your lab
makes you save time

The world's fastest milk analyzer

 **600 samples/hour**

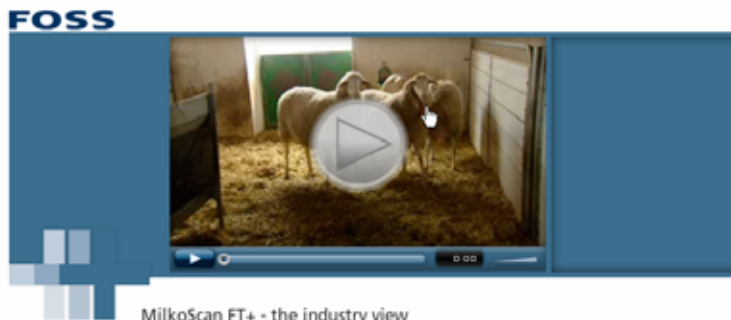

Efficient flow system }
Self cleaning pipette } makes it easy to analyze
even the most difficult
samples

This is what an operator of the MilkoScan FT+ said:

*“The FT+ makes me look better as an operator.
My totals are higher and my results are accurate.”*

Paul Dudek, Machine operator, Dairy One,
Ithaca, New York, US
