# ICAR 2012

## CONFERENCE

- Cork is a city of 120,000 people located in the south west of Ireland.
- It is serviced by Cork Airport with direct flights to most major European capitals.
- Rochestown Park Hotel is the venue for ICAR 2012.
- Late May is a beautiful time of year to visit Ireland and to enjoy the best of Irish hospitality.

# ICAR 2012

## CONFERENCE

- In the last few years dairy, beef and sheep recording in Ireland has been reorganised through the establishment of ICBF.
- ICAR 2012 will provide a great opportunity to see the impact of these developments on the information services used by dairy, beef and sheep farmers and breeding organisations.
